Leading is hard. Global pandemics are harder still. Leading during a global pandemic is not only hard, but it is also traumatic, upending and confusing with competing priorities, community needs, personal values and more. Let’s spend time learning together. Library leaders will join us to discuss how they are leading with compassion. Learn how they are making decisions, what is influencing ...

Leading with Compassion during the COVID-19 Crisis | NNLM

competing definition: 1. present participle of compete 2. to try to be more successful than someone or something else.... Learn more.

COMPETING | meaning in the Cambridge English Dictionary

In most cases, failing to make the necessary investment for managing the interactions of competing vegetation, deer, and light will lead to inadequate desirable regeneration after a timber harvest. Regeneration failures on a large scale would devastate our forests and threaten many of the benefits we depend on every day.
