Custom Figures. Custom figure making is a hobby where people create their own action figures. The scales generally range from the smaller 3.45" scale up to the 12" scale. While I started out in the smaller scale in 2000 I moved to the 6-8" scale, which is what I mostly still work in today. The figures are generally made by combining parts of existing figures with newly sculpted and created parts.

I still had an old Netflix Daredevil character from Marvel Legends. Since I think Batman is pretty cool, and the Daredevil figure has certain basic visual characteristics with Batman, I thought that I should try to create a custom Batman figure. I think the figure is visually a mixture of Ben Affleck's Batman and the bat ears, and has a certain similarity to Bale's Batman. To create the ears, I
