Intentional Counseling - Frisco, TX

What it is: Co-Counseling is a peer process involving two people who share time in a session to heal past and present hurts, to celebrate growth, and make intentional change. For half the session one person is in the "counselor" role and the other is in the "client" role.

Read Free Intentional Intervention In Counseling And Therapy Goals And Processes In Client Engagement

For the second half of the session the roles switch.

What is Co-Counseling International - USA

Intentional Intervention in Counseling and Therapy answers three questions: what heals in counseling and therapy and how? What actions in clinical
