Land Rover Series III Classics for Sale - Classics on ...

The Australian military Land-Rover fleet was "freshened up" with an estimated 2300 new Series 3 vehicles in the period April 1977 to March 1981. The supply contract was signed in mid-1976 some five years after the lateSeries 2A Land-Rovers were purchased. The suitability testing of the contending vehicles was probably carried out during 1975.

Series 3 intro -REMLR - Registry of Ex Military Land Rovers

Land Rover began to develop a lightweight version of the short wheelbase Series IIA in 1965 that could be slung beneath the Westland Wessex helicopter, which had a maximum carrying capacity of 2,500 lbs. The plan was for special forces and British marines to use the new lightweight vehicle for rapid helicopter insertion behind enemy lines and into war zone hotspots.

This is a collection of information specific to military Series 3 Land Rovers, gleaned over the past few years. Most of it concerns 24v FFR ("Fitted For Radio") kit. Information on the emission control is also included. The history pages include specific pages for the Series 3 and military Land Rovers.

Land Rovers - Military Specifics

Series 2 and Series 3 Land Rovers® were also bought for military use, many of which still survive today. They can often be recognised by the addition of things like military lights, wing top boxes and flyscreens.....many were fitted with a military data plate too, showing the military service number, from which history can now be traced.

Military Land Rover Information | John Brown 4x4 Ltd

I just took delivery of a 1982 Land Rover series 3 lightweight, ex-Dutch military, only to find out the car only drives in 4 wd modes, high & low, but not in 2 wd. Any advice on what the problem can be? The car was shipped roughly 1200 miles on the back of a truck and a lot of the bolts were loose and I actually found a few missing.
