Craft Business Model #1: Stock - Own Label Retail (and possibly some wholesale) Concept - You create and sell your own arts and craft products. Production - Everything is done in house by you and/or your team. Product Delivery Methods - Online website, sales forum (Etsy, Amazon, eBay, Folksy, etc.), or at events.

The 8 Craft Business Models You Need To Know About

Find your niche. If you're starting a craft business, it's likely you already have a hobby - it could be anything from needlework to pottery or dressmaking. Craft and 'artisanal' goods are popular in the UK and abroad, but competition in the market is high. Think about how you can make sure your products stand out.

How to start a craft business in the UK

Check professional craft associations and your county's business information center about schedules of craft shows and markets. If there's a regular flea market in your area, get in touch with the person in charge. You can set up a small booth, which can cost you anywhere from \$20 to over a thousand dollars for a 10x10 space.
